

Local Guide

Welcome

The Pacific Institute for the Mathematical Sciences welcomes you to Simon Fraser University and to the Greater Vancouver area. As a sponsor and host to all those participating in the PIMS conferences and workshops, we hope to help make your stay as comfortable as possible.

The guide to follow is designed to provide visitors with a list of services at SFU and a brief overview of services for the Greater Vancouver area.

Vancouver has 10-digit dialing therefore you must dial the 604 or 778 area code before the 7-digit phone number for all local calls. From an SFU campus phone, you must dial 9 before the 10-digit number to access an outside line.

Chinatown

Vancouver's Chinatown is the second-largest Chinatown in North America (after San Francisco's) and well worth a visit. Here you'll find everything from ginseng to green tea, fine embroidered linens, silk robes, splendid and exotic fresh produce plus traditional Chinese tableware and cooking utensils—plus one of the world's narrowest buildings (at the corner of Carrall Street and Pender Street). Located east of Downtown on Pender Street and Main Street.

Check out local artists' work at the Circle Craft Co-op (1666 Johnstone Street, 604-669-8021). The colourful Kids Only Market (1496 Cartwright, 604-689-8447) is geared to kids, from clothes to toys, but "accompanied" adults are welcome too. Open 7 days a week, 9:00 am to 7:00 pm.
